

ISPS Curriculum Mapping Template

Grade: 9th-12th
 Subject: French 1
 Compiled by: Yves Johnson

French 1 is the level 1 beginner's course. It is designed for total beginners. It aims to equip the students with the basic skills which enable them to communicate with and connect to native speakers. It helps the students to lay their French language foundation and to accomplish useful and basic functions in this target language.

Month	Content	Skills
August/September	Meeting people	Greetings; Introducing oneself and others; Bidding farewell; Giving personal information (age, address, phone number); Telling of social status; Differentiating Tu/Vous (formal and common "You"); Questioning on people: Identifying things; Counting and Spelling
